Are you still working with Stone Age tools? Well then, it's time to head on down to the Training Support Center's modern and fully equipped Self-Help Center.

Location: The Self-Help Center is located in **Bldg 229**, on the corner of 42nd Street and Battalion Avenue. **We're open weekdays from 0800-1600.**

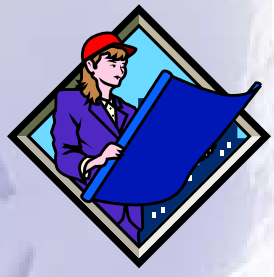
Classes: How do you get started? It's real easy! The **1st step** is to call the Self-Help Center at **288-0959** and sign up for our classes:

Every Tue. and Wed.	**0900 – 1000**

Products: After class you can begin producing many different kinds of products: Since resource constraints are always a factor, a few simple rules apply:

- Products must be related to **Unit Training, Morale & Welfare or Historical Value.** As you can see, that covers a wide range.
- We are **not** funded, however, for products related to vehicles (i.e. windshield names, bumper numbers, drip pan stenciling), directional signs (except field use signs) or facilities signs.
- As a rule – we are not resourced to laminate maps.

What sorts of m aterials are available for all this neat stuff? Here's a brief list:



- Enlargements- (B&W) (Limit 50)
  15x20
  20x30
  30x40
- Laminate or dry mount posters
- Charts, signs, duffle bags stencils and instructor name strips.

These products can be mounted or produced with various materials including:

- Foam Core
- Vinyl (Black, Red, or Blue)
- Corrugated Plastic
- Double Sided Laminate

One last note:
PowerPoint templates for enlargements can be found at the **TSC Public Folder.** This folder is under G3/III Corps Public folders. For more information on TSC please visit Self-Help at the TSC **website:**
http://www.hood.army.mil/tsc/

If you are a TSC Account holder, you can check out one of our digital cameras to take photos of your training events. We also have photo printing services, enabling you to print your color photos from your photo memory card.

Come on down and see what we're all about! For more information, Call 288-0959.
