

Did you know . . .

Fort Hood Recycle donated over \$100,000 to Fort Hood units and supports major Family and MWR events such as; Freedom Fest Fireworks, Month of the Military Child and more.

100 percent of recycled paper is processed and pulped unlike paper that is thrown away as trash.

Eliminate identity theft and security breach by recycling.

Unlike many communities off-post, the Fort Hood Recycle program is absolutely free. The Fort Hood Recycle Center pays cash for every pound of aluminum cans.

Instruction on the use and operation of the shredder will be given by Fort Hood Recycle personnel before use.
