FH REGULATION  
No. 210-31

9 September 1982

Installations  
FURNITURE AND HOUSEHOLD EQUIPMENT SUPPORT  
FOR FAMILY AND BACHELOR HOUSING

Local supplementation of this regulation is prohibited except upon approval of AFZF-HSG

SECTION I  
GENERAL

1. PURPOSE. This regulation implements policy and procedures for accounting and managing of furnishings, as outlined in AR 210-6, Furniture and Household Equipment Support for Family and Bachelor Housing, authorized by CTA 50-909.

2. APPLICABILITY.

a. The provisions of this regulation apply to all III Corps and Fort Hood units and agencies having responsibility for:

(1) Operation of government-owned and controlled bachelor and family housing, to include troop barracks and dayrooms.

(2) Procurement, issue, and management of furnishings in support of bachelor and family housing, to include troop barracks and dayrooms.

b. This regulation applies to all eligible military sponsors having responsibility for hand-receipted furniture, furnishings, and equipment in government-owned bachelor and government-controlled family quarters.

c. This regulation does not apply to:

(1) Housing furnished and maintained from non-appropriated funds.

(2) Reception Centers.

(3) Confinement Centers.

(4) Enlisted Trainee Facility.

(5) Recreational Housing.

3. EXPLANATION OF TERMS. For the purpose of this regulation, the following definitions apply:

a. Bachelor Enlisted Quarters (BEQ). Government-controlled housing designed for occupancy by bachelor enlisted personnel, to include troop barracks, both male and female.

b. Bachelor Officers' Quarters (BOQ). Government-controlled housing designed for occupancy by bachelor officers and comparable DoD civilians, both male and female.

c. Senior Enlisted Bachelor Quarters (SEBQ). Buildings, or a portion of a barracks, designated for occupancy by enlisted personnel in grades E-5 through E-9.

d. Bachelor Housing. Includes Bachelor Officers' Quarters, Bachelor Enlisted Quarters, and troop barracks.

e. Furnishings. Includes furniture, household equipment, and miscellaneous household goods under special authority.

f. Furniture. Moveable items, such as chairs, tables, beds, etc., used in furnishing living quarters. The term furniture does not include household equipment or household goods such as china, silverware, table linen, cutlery, and kitchen utensils.

\*This regulation supersedes Regulation 210-31, this headquarters, 22 August 1979.

g. Household Equipment. Cooking stove, refrigerator, clothes washer and dryer, and portable fan. Garbage disposal and installed dishwasher are not considered furnishings. Humidifier/dehumidifier and gardening items are not part of the household equipment inventory.

h. Initial Issue.

(1) Bachelor Quarters Furnishings. Includes furnishings purchase as part of the initial outfitting of newly acquired bachelor housing spaces and for the augmentation up to authorized complement. Also includes new items added to the appropriate Table of Allowances.

(2) Family Quarters Furniture and Household Equipment. Includes furniture and household equipment procured for augmentation up to authorized allowances and includes furniture procured as part of the initial outfitting of newly acquired family housing units.

i. Replacement Issue.

(1) Bachelor Quarters Furnishings. Includes replacement of furnishings in the existing inventory.

(2) Family Quarters Furnishings and Household Equipment. Includes replacement of authorized furniture and household equipment.

j. Special Allowances. Items which are procured and issued under special Department of the Army authority.

k. Supplemental Items. Items of furniture authorized for issue to supplement personally-owned household goods.

4. FUNDING.

a. Procurement of initial and replacement issue of furnishings authorized in CTA 50-909 will be controlled and maintained by the Furnishings Management Officer.

b. A complete list of National Stock Numbers, including line numbers, locally assigned numbers and noun nomenclature of items authorized are attached as Appendix A (Bachelor Quarters Furnishings). Appendix B (Family Quarters Furniture and Equipment) lists items for issue to family quarters occupants, prices, and damage cost estimates.

5. WASHER AND DRYER PROGRAM.

a. Washers and dryers installed in Bachelor Officers' and Bachelor Enlisted Quarters are government-leased, contractor-owned and maintained.

b. Washers and dryers are provided at no cost to the user and operating instructions must be strictly adhered to in order to ensure proper and efficient operation.

c. Units are not authorized to perform maintenance on washers or dryers. Report all unserviceable equipment to United Coin Meter Liaison, Phone: 685-4504. To ensure efficient repair service, units calling in are required to furnish the following information: phone number, building number, floor, room number, wing, stack number for modular barracks, name of person calling, unit, and equipment unserviceable. Repairs normally will be done within 24 hours.

d. Stopped drains and electrical power problems are not the contractor's responsibility and should be reported to Directorate of Facilities Engineering (DFE), Work Order Section, Phone: 685-2113. Where stopped drains are found the equipment will be deactivated as a safety precaution until drainage problem is corrected.

e. Washers and dryers are not designed for cleaning CTA 50-900 field gear. This equipment must be sent to the Post Laundry for cleaning.

f. Abuse and damage of washers and dryers is punishable under the Uniform Code of Military Justice (UCMJ) and may result in machine removal.

SECTION II  
BACHELOR HOUSING AND DAYROOM FURNITURE

6. RESPONSIBILITIES.

a. The Furnishings Management Branch, Housing Division, DFE, is responsible for management of bachelor housing and dayroom furniture. Responsibilities include, but are not limited to:

- (1) Establishing and maintaining property book for station property of this installation.
- (2) Planning, programming, controlling, and budgeting for initial and replacement issue of furnishings authorized.
- (3) Preparing budget data, justification, and analysis of requirements for inclusion in command operating budgets and financial management reports.
- (4) Maintaining fund commitment control for all items requisitioned.
- (5) Receiving requisitions from units for consolidation and submission to Supply Division, Property Control Branch, for processing as required.
- (6) Contacting units when items are received in warehouse for issue and ensuring that hand receipt officer, or designated representative, pick up and sign for items.
- (7) Maintaining hand receipt file for barracks furniture or furnishings, using DA Form 3161, Request for Issue or Turn-In, as supporting document to DA Form 2062, Hand Receipt/Annex Number. Liaison Teams will contact hand receipt holders for update of hand receipt. No transactions will take place (Issues/Turn-Ins) from the date of update notice, until the hand receipt has been updated.
- (8) Conducting an annual physical inventory of furnishings in warehouses, repair facilities, or awaiting disposition. Reconciles inventory with property records.
- (9) Establishing and organizing program for replacement of furnishings which will reflect age and condition of furniture.
- (10) Maintaining current records of property transactions as a basis for establishing experience factors for computation of requirements.
- (11) Performing spot checks of property records to determine accurate computation and posting of documents.
- (12) Reviewing requisitions from units and activities to determine authorization, priority of requirement and availability of item.
- (13) Notifying commanders of requirements for submission of reports in sufficient time to permit preparation.
- (14) Preparing Annual Bachelor Housing Furnishings Report, (RCS: ENG-235).
- (15) Maintaining a Washer and Dryer Program of contractor-owned and contractor-maintained equipment.

b. Commanders will:

- (1) Provide Furnishings Management Branch with DA Form 1687, Notice of Delegation of Authority - Receipt for Supplies, in quadruplicate, upon establishing a hand receipt, or upon change of hand receipt officer or representative.
- (2) Sign, date, and submit FH Form 2423, Basis for Barracks and Dayroom Furnishings Authorization to Liaison Team, Furnishings Management Branch. These forms are available from Furnishings Management Branch, Building 4218.
  - (a) Upon establishing a hand receipt, or
  - (b) Upon moving from one building to another, or
  - (c) When requirements change due to increase or decrease in barracks strength.
- (d) Information submitted on FH Form 2423 should be the same as submitted to DFE, Real Property, Barracks, Utilization Report.
- (3) Ensure that unserviceable items, fair wear and tear (FWT) are turned in to Furnishings Management Branch Warehouse for repair or salvage.
- (4) Ensure that unauthorized and excess-serviceable items are turned in to Furnishings Management Branch Warehouse for redistribution to other units.
- (5) Ensure that damaged items, other than FWT, are investigated; and where necessary, a Statement of Charges, Cash Collection Voucher, or a Report of Survey is

9 September 1982

submitted according to AR 735-11, Accounting for Lost, Damaged and Destroyed Property. Coordinate these documents with the Property Book Officer, Furnishings Management Branch (PBO, FMB) as follows:

(a) Send DA Form 4697, Report of Survey, to the PBO, FMB, within 5 days after discovery of loss as outlined in paragraph 3.5, AR 735-11.

(b) Send DD Form 362, Statement of Charges for Government Property Lost or Damaged, or DD Form 1131, Cash Collection Voucher, to the PBO, FMB, when hand receipt holder admits pecuniary liability. These forms must be signed by the individual, the unit commander, and hand carried through the appropriate Finance Officer for collection before acceptance by the PBO, FMB.

(6) Maintain accurate and current records of property transactions as a basis for establishing experience factors for requirements computations.

(7) Ensure that hand receipt holders have their copy of hand receipt with them when updating the hand receipt.

(8) Perform spot checks on property records to detect computation errors and erroneous posting of documents.

(9) Send requisitions for items authorized by CTA 50-909, using DA Form 2765-1, Request for Issue or Turn-In to Liaison Team, Furnishings Management Branch. Requisitions will be in format shown in Appendix C. When showing publication data, DO NOT quote this regulation as authority. All entries on DA Form 2765-1 must be legible on all copies.

(10) When notified to pick up items for issue at warehouse, pick up will be made within 72 hours following notification. If not picked up, request will be cancelled and items will revert to stock for re-issue to other units.

(11) Contact the Liaison Clerk in Furnishings Management Branch for a turn-in appointment. Liaison Clerk phone numbers are:

6th Cavalry Brigade, 13th Support Command	
and Non-Divisional Units	685-7587
1st Cavalry Division	685-7276
2d Armored Division	685-3678

Turn-ins are by appointment only and items will not be accepted by warehouse personnel unless unit has a turn-in appointment. Hand receipt holder or representative will prepare DA Form 3161 for items to be turned in. There will be no exceptions to this policy unless approved by Furnishings Management Branch.

(12) Ensure that hand receipt officers clear through Furnishings Management Branch when departing post on Permanent Change of Station (PCS) or Expiration Term of Service (ETS). When the departing hand receipt officer reports to Liaison Teams for clearance, he or she will be accompanied by the new hand receipt officer. As soon as property on the hand receipt has been signed for and new signature cards authenticated, the departing officer will be cleared by Furnishings Management Branch. No transactions will take place (Issue/Turn-Ins) on the day property is transferred to new hand receipt officer.

(13) Ensure that wardrobe, NSN: 7105-00-139-8260, when assembled, will not be moved without approval from Property Book Officer, Furnishings Management Branch. The 3-drawer chest, NSN: 7105-00-139-8295, is an accessory to the wardrobe and will be used inside the wardrobe only. This chest is not authorized as and will not be used as a night stand.

Liaison Teams will:

(1) Maintain close and direct contact with hand receipt holders in all matters pertaining to hand receipt accounts.

(2) Maintain turn-in schedule for units with serviceable-excess or unserviceable

(3) Ensure that a work copy of hand receipt is sent to warehouse on scheduled turn-in day.

(4) Prepare DA Form 3161 for items to be issued, annotate unit phone number on form and send to warehouse. Warehouse personnel will notify units to pick up items.

7. POLICIES AND PROCEDURES. Furnishings Management Officer will establish maintenance float factor, three percent for household equipment, five percent for upholstered furniture and hard goods, and seven percent for soft goods such as rugs, slip covers, window coverings, and lamps. Percentage indicated cannot be exceeded.

a. Computation of Requirements:

(1) In computing requirements, method used must provide realistic estimate of the quantities of furnishings needed to meet current demands. Primary factors to be considered are:

- (a) Continuing need for housing related to programmed force levels.
- (b) Size and interior design of housing supported with furnishings.
- (c) Application of factors derived from actual experience.

b. Maintenance Procedures. For turn-in appointments see paragraph 6b (11), above.

(1) Units are responsible for organizational maintenance of furnishings. This includes, but is not limited to: Cleaning, tightening of screws, nuts, and bolts, vacuuming, etc.

(2) Furnishings requiring maintenance that is beyond organizational capability will be moved through hand receipt officer to Furnishings Management Branch Warehouse, Building 4231. All turn-ins will be by appointment only. Replacement items must be requisitioned and will be issued immediately, assets permitting. Repairable furniture items are processed for repair by contractor; items uneconomically repairable are processed for turn-in to the Property Disposal Office.

(3) Units will prepare DA Form 2407 (Maintenance Request) for repair service of television sets, radio or phonograph, pool tables, shuffleboard, bumper pool, table soccer (fussball), air-hockey, vacuum cleaners, sewing machines, polishers, and carpet scrubbers. DA Form 2407 must show serial number (if applicable) in Block 2; make or manufacturer in Block 5; service needed (this must be detailed), building number, to include floor and wing, where equipment is located, point of contact and telephone number in Block 16. Equipment will be left in place in unit dayrooms except vacuum cleaners, sewing machines, floor polishers, and carpet scrubbers, which will be delivered, with approved maintenance request to Customer Assistance, Maintenance Division, DIO. If an item is uneconomically repairable, maintenance personnel will annotate Code "H" on DA holder or representative to Furnishings Management Branch Warehouse, Building 4231, as outlined in paragraph 6b(11), above. Number four (blue) copy of DA Form 2407 will be attached to DA Form 3161 (Request for Issue or Turn-in).

(4) Requests for disassemble and reassembly or leveling requires two DA 2407's, indicating required actions and date work is required to be done. Pool tables will be disassembled by contractor and user unit will be responsible for moving. Units will not disassemble pool tables.

(5) Bumper pool tables, table soccer (fussball) and air-hockey will not be disassembled. Disassembly, assembly, and leveling of shuffleboards is user unit responsibility. Repairs will be done by contractors only.

(6) Units are responsible for obtaining estimated cost of damage (ECOD) by completing DA Form 2407 as outlined in paragraph 6c(3), annotating in Block 16 "Request ECOD". ECOD-related Reports of Survey will be done at the discretion of the hand receipt holder or unit commander as outlined in AR 735-11.

(7) Units will contact Post Laundry for on-site cleaning of wall-to-wall carpeting.

(8) Shower curtains will not be disposed of when mildewed. These may be turned in to Post Laundry for cleaning.

c. Redistribution of Assets. Furnishings excess to unit requirements will be turned in to Furnishings Management Branch for redistribution. Unit requisitions will be filled using serviceable stock on hand. New furnishings will not be purchased if requested item is in warehouse stock. Commanders or hand receipt holders are not authorized to transfer CTA 50-909 items on their hand receipt to any other unit without prior coordination with PBO, FMB.

SECTION III  
FAMILY HOUSING FURNITURE AND HOUSEHOLD EQUIPMENT

**8. RESPONSIBILITIES.**

a. The Furnishings Management Branch, Housing Division, DFE, is responsible for management of family housing furnishings. Responsibilities include, but are not limited to:

(1) Maintaining property book for station property of this installation and records for 5,237 family housing hand receipts and related real property records.

(2) Conducting a physical inventory of family housing assets, furniture, moveable equipment, and furnishings in use in family quarters, warehouse storage, and repair shops, reconciling balances with accountability records.

(3) Planning, programming, controlling, and budgeting for initial and replacement issue of furnishings authorized.

(4) Preparing budget data, justification, and analysis of requirements for inclusion in command operating budgets and financial management reports.

(5) Maintaining fund commitment control for all items requisitioned.

(6) Initiating reports of survey, cash collection vouchers, or statements of charges for real property or installation property in cases of fire, theft, loss, damage, or destruction in or to government-owned quarters or furnishings.

(7) Implementing procedures to secure stock of self-service type items for distribution to quarters to assure maximum economical use of property.

(8) Maintaining occupant real property condition and responsibility records in the quarters occupants hand receipt account.

(9) Maintaining statistical data for maintenance, repair, storage, cost, moving and handling, and distribution of furniture and furnishings.

(10) Initiating turn-in documents for property initially classified as unserviceable or excess and processed through DIO Classification and Shipping Section or DIO Maintenance Division, Quality Assurance Branch, as appropriate. Processing completed documents and obvious scrap to Property Disposal or serviceable property through Classification and Shipping Section to the DIO Storage Branch based on serviceability and repairability determinations.

(11) Maintaining records concerning collections of cash resulting from damages to buildings, or loss, misappropriation, and negligent damages received from responsible quarters occupants.

(12) Maintain a petty cash fund authorized by the Installation Commander.

(13) Preparing annual Family Housing Furnishings Report, (PCS: ENG-235).

(14) Providing special support for maintenance of furniture and furnishings in General Officers' Quarters and Foreign Officers' Quarters by initiating purchase request for repair, or renovation or a requisition, DA Form 2765-1 for replacement of items peculiar to the quarters.

**b. Occupants:**

(1) Request for issue of quarters furnishings will be made in person at the Family Quarters Section, Housing Division, Building 108. Occupants will confirm that shipment of personally-owned household goods at government expense was within authorized maximum weight allowance.

(2) Requests for turn-in of furnishings may be made in person, or by telephone (685-2933). Items turned in will not be replaced.

(3) Occupants preparing to vacate quarters will not request a furniture pick-up. Furniture will not be left in basements, attics, or storerooms, but will be in place in the area for which designed for use at the time of termination appointment.

(4) Occupants must assure that furniture or furnishings scheduled for pick-up are clean, free of personnel effects, and have light coat of furniture polish or wax.

(5) Occupants must defrost and thoroughly clean refrigerators before turn-in or clearing quarters.

(6) Occupants must thoroughly clean all ranges and ovens, free-standing or built-in, prior to clearing quarters.

(7) If an attempted delivery or pick-up fails, rescheduling instructions will be left in the door of the quarters. If occupant does not call within 7 days, or if a second unsuccessful call is made, the request will be cancelled.

#### 9. POLICIES AND PROCEDURES.

##### a. Entitlement to Furnishings.

(1) Personnel occupying government-controlled quarters have no specific legal entitlement to government-owned furnishings. Furnishings are provided when it is considered in the best interest of the government.

(2) Government furnishings or furniture from the existing inventory may be issued when items are necessary to assure a reasonable degree of liability to avoid undue hardship in individual cases or when the nature and quantity of items provided do not exceed the member's unused shipping weight allowance.

(3) Government-owned items cannot be substituted for personally-owned items that have been shipped at government expense.

(4) Removal and storage of government-owned refrigerators is authorized when the occupant wishes to use a privately-owned refrigerator.

b. Storage of Personally-Owned Furnishings. Personally-owned household furnishings of occupants of family quarters transported at government expense will not normally be stored at government expense outside of quarters occupied. Request for exception to store household goods at government expense outside of quarters should be in writing to Chief, Housing Division. Approval of exceptions will be based on members' authorized shipment allowance, amount of weight actually shipped, and the size of quarters occupied. Personally-owned ranges and refrigerators may be stored at government expense. (Contact Family Housing PBO).

##### c. Furniture Control.

(1) Furnishings will be issued from available stocks within authorized furniture allowance. All items are in short supply and IAW current regulations, new items of furniture will not be purchased.

(2) Installed ranges will remain in family quarters. Government provided ranges will not be replaced with personally-owned equipment without specific approval of the Installation Commander.

(3) Personally-owned ranges now being used may remain until the next change of occupancy.

(4) Government-owned refrigerators may be removed when the occupant desires to use a privately-owned refrigerator.

(5) Personally-owned ranges and refrigerators may be stored at government expense.

(6) Furnishings Management warehouse personnel are not required to handle or remove personally-owned property in the process of making a delivery or pick-up. Warehouse personnel are not required to pick up government-owned property from basements, storerooms, or attics.

(7) Furnishings Management warehouse personnel, making a scheduled stop at family quarters for a delivery or pick-up, are required to annotate the condition of the items in the "Remarks" column of the document. Changes requiring deletions from issue documents, or deletions or additions to "Action" column of a turn-in request, must be initialed by the warehouseman and the occupants' representative, before signature.

(8) Furniture which is not clean or which the warehouseman thinks has been damaged by other than FWT will not be picked up unless the quarters occupant can produce issue documents proving that the condition was noted at the time of issue.

d. Accountability.

(1) The head of household is the authorized hand receipt holder to request and receive furniture or equipment. The hand receipt holder assumes full responsibility for all furniture and equipment receipted by himself or herself, or authorized representative; i.e. spouse is authorized representative in absence of hand receipt holder. Items lost, damaged, or destroyed will be accounted for as outlined in AR 735-11.

(2) Clearance of government quarters will not be signed until proper adjustment documents have been sent or written acknowledgment that neglect was caused by the occupants and acceptance of pecuniary liability.

(3) The determination of the amount of pecuniary liability when negligent damage or loss is noted will be according to procedures set forth in AR 735-11.
