Below are the MKT/CK Wash Rack Rules and Procedures to pre-brief detail prior to appt.

MKT Wash Rack Rules and Procedures
Hours 0730-1530
254-286-5993

1. You must check in and check out of the facility at building 1953. You will escort to the MKT Facility and given a briefing on the facilities operations.
2. Do not walk, drive, or park on the grass.
3. No POVs inside fenced area. No parking in front of the MKT Facility on the tank trail, there is addition parking available across the street on between Murphy Road and North Ave.
4. No smoking in or on the MKT /CK wash rack area.
5. The outside of MKT and CK trailers should be rinsed off prior to coming to MKT Facility, no excessive amount of mud should be on equipment. Do not rinse off the tactical vehicle in the wash rack area.
6. Absolutely NO FOOD or GREASE on equipment. Make sure that all the burners are defueled prior to appointment.
7. Sinks are provided and will need to be clean out after every appointment.
8. Do not wash outside of the bay areas, it is IMPORTANT to keep all water going down the drain.
9. Extend hose reels completely while in use. If you are not using the water for more than five minutes turn pumps and burners off or risk overheating.
10. NO HORSE PLAYING. The water pressure could cause injury; hot water may burn and the ground may become slippery.
11. Kitchen Mate soap will be provided; there are two types of other clears that are allowed to be used at the wash rack facility: CS-1000 or Low Emulsifying Wash

and you can get both of these at HAZ-Mart. You cannot use Simple Green, Bleach or any type of citrus cleaner.

12. When you are finished washing, rinse the area down. Always cool down the burners by turning the burner off. Spray water thru wand for a minimum of one minute. Turn off ALL pumps when finished.
13. Recycle containers and dumpsters are provided for you. Please make sure that you dispose of your recyclables and trash in the right containers. Pick up all trash before leaving.
14. Please report any deficiencies to the P2 Services Team immediately. The wash rack will be inspected before you leave the area.
15. The wash rack is reserved until 1530 Monday thru Thursday; the gates will be locked at this time.
