

BAH Increase

Susan Burrow, Holloyal Dean, Lucile Wray, Johnny McCoy, Elizabeth Bass, Johanna Cooks and Will Stubbs from DPW's Housing Services Office (HSO) were instrumental in Fort Hood receiving a large increase in Basic Allowance for Housing (BAH) for 2014. The average increase was 9.4%, with some grades receiving 15% . Their hard work in providing all required submissions to the Army was an integral part of this “pay raise” for Soldiers and families.
