

DPW Hood Heroes

The Interactive Customer Evaluation (ICE) Program recognized the Fort Hood Classification Unit as the winner of the Service Provider Award! The team was recognized at the recent Hood Hero Awards Ceremony for their excellent customer service. The Classification Unit's unique program offers environmental services to Department of Defense personnel and their family members to properly and safely recycle and dispose of hazardous waste, household hazardous waste and personal electronic waste. Also Christine Luciano was recognized at the Hood Hero for an Outstanding Commitment to a Job Award. Congratulations to the Classification Unit and Christine!
