

Winter Weather Work

DPW's R&G Crew (Doug Allen, Kyle Arnold, Jimmy Blair, Robert Gabler, Dennis Jackson, Donald Tucker) sanded roads and spread ice melt from 23 -24 January to keep Fort Hood Soldiers, Civilians, patients, and retirees safe. Thanks to the efforts of this crew, working all night long in the snow, rain, and cold, employees that had to report to Fort Hood, or needed medical care, found much safer roads, sidewalks, and stairs.

WE ARE DPW!
