IMHD-PWE

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fort Hood's Environmental Policy

**1. REFERENCES:**

a. Executive Order 13693, Planning for Federal Sustainability in the Next Decade, dated 25 March 2015.

b. International Organization for Standardization (ISO) 14001, dated 2004.

**2. PURPOSE.** To define the Fort Hood Environmental Policy in accordance with Executive Order 13693 and Fort Hood Environmental Management System (EMS) that conforms to the ISO 14001.

**3. APPLICABILITY.** This policy applies at all times and in all locations to all service members and Civilian employees, and Civilians assigned to, attached to, or performing duties in units or activities assigned, attached, stationed, based, or otherwise located on the Fort Hood military reservation. This includes, but is not limited to, units and service members, Civilian employees, and Civilians conducting maneuvers, training, maintenance, or other duties on the Fort Hood military reservation. It also applies to all military personnel and all Civilians physically present within the limits of the Fort Hood military reservation.

**4. POLICY:**

a. The primary objectives of the Fort Hood EMS are to significantly reduce the amount of waste going into our landfill, and reduce our energy and water consumption.

b. To achieve these goals, Fort Hood is committed to:

(1) Continually improving our environmental stewardship.

(2) Evaluating opportunities for pollution prevention.

(3) An involved leadership who monitors activities impacting the environment.
