You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:
-The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and
-At any time, the USG may inspect and seize data stored on this IS.
-Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
-This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
-Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, assistants. Such communications and work product are private and confidential. See User Agreement for details.

Welcome back Jason Bond

USAF/ILGD has directed mandatory use of the web-based Form DD 1149 by 30 Sep 03. Therefore, the form has been base-lined and several changes have been incorporated into this new users that have been testing the form are asked to re-register to access this updated version of the web-based DD 1149.

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

- By using this IS (which includes any device attached to this IS), you consent to the following conditions:
- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychoanalysts, or similar professionals or assistants. Such communications and work product are private and confidential. See User Agreement for details.

Click on "My Account" and then click on "Funds Management"

Funds Management

Use this page to manage your Funding information. You may store up to five entries. The first entry is required. Removal of unused LLOAs or TACs can be accomplished by deleting the entry and submitting the form.

1.) LLOA <input type="radio"/> or TAC: <input checked="" type="radio"/>	<input type="text" value="FTGS"/>
2.) LLOA <input checked="" type="radio"/> or TAC: <input type="radio"/>	<input type="text"/>
3.) LLOA <input checked="" type="radio"/> or TAC: <input type="radio"/>	<input type="text"/>
4.) LLOA <input checked="" type="radio"/> or TAC: <input type="radio"/>	<input type="text"/>
5.) LLOA <input checked="" type="radio"/> or TAC: <input type="radio"/>	<input type="text"/>

Here is where you would put the TAC or Long Line of Accounting being used for the shipment.
