Did you know that your Fort Hood TSC has its own Device Fabrication Shop or its own Self-Help Graphic Arts Center?

While many soldiers and leaders already know about many of our TSC products and services this article highlights those products and services unique to Fort Hood.

Let's begin with our **Device Fabrication Shop.**

This fully equipped shop can produce standard products such as map

boards,

simulated training devices (such as mines), and fabricated devices such as tank timing boards. We can also provide non-standard products to meet any training need. Our capabilities include carpentry, painting, molding and welding. Since regulatory limitations, workload and funding are always issues, good prior planning is essential to ensure success.

Another unique activity to Fort Hood is our **Self-Help Graphics Arts Center.** What can this center do for you? Here's a brief list of products:

- Enlargements- (B&W)
 - 15x20
 - 20x30
 - 30x40
- Laminated or dry mounted posters

- Charts, signs, duffle bags stencils and instructor name strips.

Use of the Self-Help Center requires completion of our hands-on training session. Simply call **288-0959** to set up your class.

While most installation TSCs have a **web site** – we believe that ours merits special attention. We're located under the Services Section of the Fort Hood web page.

You would expect a web page to depict all products and services – right? Well, we do that and much more!

Our page features an **on-line catalog** of virtually all of

our primary TSC products including MILES, TADSS, GTAs, Battle Simulations and individual and collective training devices. Products are organized by Army branch and are easy to find.

You can also browse our recent monthly bulletins by going to our News link to catch the latest info available.

'Lock-In' – to training success – you'll be glad that you did!

We operate Ten-Lane and Five-Lane ESTs, in addition to all the standard weapons simulators such as OFT, IMTS and Javelin. Call our **TADSS Specialist at 285-5063 for more details.**

For further information on these or any other TSC product or service call us at **Work Reception 287-3909 or 287-4960.**
